

MDES Data Access Application and Data-Use Agreement

For non-commercial academic research

This form is used to request controlled access to the MDES multimodal physiological emotion dataset. Please complete the form, obtain the required signature, and submit the signed copy to the dataset contact.

1. Applicant Information

Applicant name	
Position / title	
Department / laboratory	
Institution	
Institutional email	
Country / region	

2. Principal Investigator / Supervisor

If the applicant is a student, please provide the principal investigator or supervisor responsible for the project.

Name	
Position / title	
Institution	
Institutional email	

3. Research Project

Project title	
Research purpose	
Expected research period	
Expected outputs	e.g., journal article, conference paper, thesis

4. Requested Use

- ☐ I request access to MDES solely for the research project described above.
- ☐ The intended use is non-commercial academic research.
- ☐ Only approved members of the research team will access the dataset.

5. Data-Use Terms

- 1. Academic use only.** The dataset will be used only for non-commercial academic research.
- 2. No redistribution.** The dataset, portions of the dataset, download links, access credentials, or derived files that could reconstruct the original data will not be shared with unauthorized third parties.
- 3. No re-identification.** The user will not attempt to identify or re-identify any participant.
- 4. Secure storage.** The data will be stored on access-controlled institutional or research systems and made available only to approved project personnel.
- 5. Project-specific access.** Access is granted only for the project described in this application. A substantially different use may require a new request.
- 6. Ethics and privacy.** The user is responsible for complying with applicable institutional ethics, privacy, and data-protection requirements.
- 7. Citation.** Publications and presentations using MDES must cite the MDES paper and acknowledge the dataset source.
- 8. No warranty.** The dataset is provided for research use without warranty. The user is responsible for evaluating its suitability for the intended analysis.

6. Applicant Declaration

I confirm that the information provided in this application is accurate. I have read and agree to the MDES data-use terms above and understand that dataset access may be withdrawn if these terms are violated.

Applicant name	
Signature	
Date	
PI / Supervisor signature (if applicable)	

7. Submission

Please send the signed application to: ye.li@siat.ac.cn
